

Disadvantaged Pupil Impact Aid & Student Wellness and Success Funds Plan for FY26

During **Funding Year 2026 (FY26)**, Ohio school districts and community schools received **Disadvantaged Pupil Impact Aid (DPIA)** and **Student Wellness and Success Funds (SWSF)** to support wraparound services that address the academic, physical, behavioral, social-emotional, and mental health needs of Ohio's students.

Community STE(A)M Academy-Xenia (CSA-Xenia) strategically utilized these funds to reduce barriers to learning while supporting the whole child in alignment with the Academy's mission of providing an innovative education of the **heart, mind, body, and soul**. As an Ohio-designated STEAM school, CSA-Xenia integrates these supports into an educational model centered on project-based learning, workforce development, personalized instruction, and strong community partnerships.

This report documents how FY26 funds were utilized and the resulting impact on students.

Student Wellness and Success Funds (SWSF)

CSA-Xenia ensured compliance with Ohio law by dedicating at least 50% of Student Wellness and Success Funds toward physical and mental health services. Throughout FY26, the Academy collaborated with the Montgomery Educational Service Center (MESCC) and additional community partners to provide coordinated wraparound supports that improved student wellness, attendance, engagement, and academic success.

Mental Health Services

Student Wellness and Success Funds were utilized to strengthen the Academy's social-emotional and behavioral support systems through:

- School counseling and behavioral intervention services.
- Social-emotional learning (SEL) curriculum and classroom resources.
- Mental health consultation and support through community partnerships.
- Trauma-informed practices and staff professional development.
- Suicide prevention, bullying prevention, and student wellness initiatives.
- Family engagement activities promoting healthy relationships and emotional well-being.
- Student referrals to appropriate community mental health resources when needed.

Student Impact

These services contributed to:

- Increased student access to behavioral and mental health supports.
- Improved student engagement and classroom participation.
- Enhanced staff capacity to recognize and respond to student needs.
- Strengthened partnerships between families, the school, and community agencies.
- A school culture that supports student resilience, belonging, and overall well-being.

Physical Health Care Services

Student Wellness and Success Funds also supported physical health initiatives designed to improve student readiness for learning.

Funding supported:

- School nursing coordination and health-related services.
- Student health screenings and referrals.
- Community-based health partnerships.
- Nutrition and healthy lifestyle education.
- Physical activity opportunities supporting CSA-Xenia's Core Value of **Dynamic Movement**.
- Student wellness programming that encouraged healthy habits and improved attendance.

Student Impact

These investments helped:

- Improve student access to health services.
- Reduce health-related barriers to attendance.
- Promote healthy lifestyles and physical well-being.
- Increase student readiness to participate in rigorous academic instruction.

Disadvantaged Pupil Impact Aid (DPIA)

Disadvantaged Pupil Impact Aid supported initiatives designed to improve educational outcomes for economically disadvantaged students by expanding access to instructional resources, technology, school safety, and family engagement opportunities.

Instructional Technology, Personalized Learning & Student Achievement

DPIA funds supported innovative instructional practices through investments in:

- Student instructional technology devices.
- Digital curriculum and instructional software.
- Learning Management Systems and online learning resources.
- Artificial Intelligence (AI) literacy initiatives supporting responsible student use of emerging technologies.
- STEAM instructional materials supporting project-based learning.
- Academic intervention resources.
- Credit recovery and dropout prevention supports.
- Career exploration and workforce readiness experiences.
- Technology infrastructure supporting personalized and blended learning.

Student Impact

These investments resulted in:

- Greater student access to high-quality instructional resources.
- Increased student engagement through authentic project-based learning.
- Expanded opportunities for personalized instruction and intervention.
- Improved workforce readiness through technology-rich learning experiences.

- Increased digital literacy and responsible technology use.

School Safety and Security

CSA-Xenia continued strengthening the safety and security of its learning environment through investments in:

- Building access control systems.
- Security cameras and monitoring systems.
- Emergency communication equipment.
- Visitor management procedures.
- Emergency preparedness planning and staff training.
- Safety improvements associated with the Academy's transition into its new educational facility.

Student Impact

These investments:

- Enhanced the physical security of students, staff, and visitors.
- Improved emergency preparedness and response capabilities.
- Increased confidence among families and staff regarding campus safety.
- Supported a positive learning environment where students feel safe and supported.

Family Engagement and Community Partnerships

Recognizing that student success extends beyond the classroom, DPIA funds supported efforts to strengthen relationships with families and community partners.

Funding supported:

- Family engagement initiatives.
- Community liaison activities.
- Parent communication and outreach.
- Student mentoring opportunities.
- Service-learning experiences.
- Workforce and higher education partnerships.
- Community-based programming that connected students and families with needed resources.

Student Impact

These efforts helped:

- Increase family involvement in student learning.
- Expand access to community resources.
- Strengthen student connections with business, higher education, and nonprofit partners.
- Increase student engagement through authentic community-based learning experiences.

Overall Impact on Students

The combined use of Student Wellness and Success Funds and Disadvantaged Pupil Impact Aid enabled CSA-Xenia to provide comprehensive supports that addressed the academic, social-emotional, physical, and behavioral needs of students.

During FY26, these investments contributed to:

- Improved access to mental and physical health supports.
- Expanded opportunities for personalized learning and academic intervention.
- Increased student engagement through innovative STEAM and project-based learning experiences.
- Enhanced school safety and security.
- Stronger family and community partnerships.
- Greater workforce readiness through authentic career-connected learning.
- A learning environment that supports the development of the whole child.

Accountability

Community STE(A)M Academy-Xenia remains committed to responsible stewardship of all public funds.

Consistent with Ohio law:

- This report documents the utilization and student impact of **FY26 Disadvantaged Pupil Impact Aid** and **Student Wellness and Success Funds**.
- The report will be reviewed by the **CSA-Xenia Board of Trustees** and made available to the public.
- The Academy will continue to evaluate the effectiveness of funded initiatives to ensure resources are aligned with student needs and measurable outcomes.
- In accordance with Ohio law, **any remaining FY25 Student Wellness and Success Funds must be fully expended by June 30, 2026**, and **any unused FY26 Student Wellness and Success Funds must be fully expended by June 30, 2027**.

Commitment

Community STE(A)M Academy-Xenia remains committed to strategically leveraging Disadvantaged Pupil Impact Aid and Student Wellness and Success Funds to remove barriers to learning, strengthen student wellness, improve academic achievement, and prepare every student for success in college, career, and life. Through continued collaboration with families, community partners, and educational organizations, the Academy will invest these resources in ways that promote innovation, equity, and the success of every learner.
